INDEX TO VOLUME 31

AUTHORS INDEX*

A

AMSTERDAM, SOL DARRELL (WITH MALINER, MARTIN M.), Oral penicillin in the prophylaxis of recurrent rheumatic fever, 658

ATWATER, R. M., Testimony on behalf of the American Public Health Association on Senate Bill 545, 361

B

BAKWIN, HARRY, Glutamic acid and mental functioning, 702

—, Poor appetite in young children, 584

BARKLEY, HOWARD T. (WITH SALMON, GEORGE W.), The Blalock-Taussig operation, 54

BARNETT, HENRY L., A note on experiences with a rooming-in arrangement for newborn infants in a small hospital, 49

BENSON, REUEL A., SLOBODY, LAWRENCE B., LILLICK, LOIS, MAFFIA, ANTHONY, AND SULLIVAN, NORBERT, A new treatment for diaper rash, 369

—, (WITH SLOBODY, LAWRENCE B., AND MESTERN, JOAN), A comparison of vitamin C in mothers and their newborn infants, 333

BERGMAN, BEATRICE, Sex precocity and the adrenogenital syndrome, 142

BIRMINGHAM, J. (WITH LEWIS, J. M. BODANSKY, O., AND COHLAN S. Q.), Comparative absorption, excretion, and storage of oily and aqueous preparations of vitamin A, 496

BLATT, MAURICE L., PLATTNER, EDWARD B., LEVINE, MILTON, AND MELZER, FRANRESKA, Phthalylsulfathiazole in the treatment of diarrhea in children, 548

BLATTNER, RUSSELL J., Infectious disease in pregnancy and fetal development, 710

—, The role of flies in poliomyelitis, 593

BLOCK, WALTER M., Portal cirrhosis of the liver, 420

BODANSKY, O. (WITH LEWIS, J. M. BIRMINGHAM, J., AND COHLAN, S. Q.), Comparative absorption, excretion, and storage of oily and aqueous preparations of vitamin A, 496

BOGATKO, FRANCES H., AND MEHLMAN, JULIA, Cholecystitis and cholelithiasis in a congenital diverticulum of the gall bladder in a three-year-old boy, 75

BOROVSKY, MAXWELL P. (WITH SLOTOWSKI, EUGENE L.), Adenoleiomyofibroma of the tongue, 470

BOYD, JULIAN D., AND CHEYNE, VIRGIL D., Epidemiologic studies in dental caries. II. The incidence of caries among institutionalized children, 306

BRADLEY, ELIZABETH J., Periarteritis nodosa in childhood, 78

BRIDGE, EDWARD M. (WITH LIVINGSTON, SAMUEL, AND KAJDI, LASLO), Febrile convulsions: A clinical study with special reference to heredity and prognosis, 509

BROCKMAN, DAVID DEAN, Congenital desmoid of the abdominal wall, 217

BRUYN, HENRY B., Homologous serum hepatitis following transfusion in an infant, 60

BUNCH, ROLIN F. (WITH MCCRORY, WALLACE W.), Omphalocele with diaphragmatic defect and herniation of the liver into the pericardial cavity, 456

C

CASSELS, DONALD E., AND MORSE, MINERVA, Blood volume in congenital heart disease, 485

CHEYNE, VIRGIL (WITH BOYD, JULIAN D), Epidemiologic studies in dental caries. II. The incidence of caries among institutionalized children, 306

COBLEY, GEORGE, AND GOETTSCH, ELVIRA, Streptomycin in the treatment of miliary tuberculosis, 70

COHLAN, S. Q. (WITH LEWIS, J. M., BODANSKY, O., AND BIRMINGHAM, J.), Comparative absorption, excretion, and storage of oily and aqueous preparations of vitamin A, 496

CULOTTA, CHARLES S. (WITH MAN, EVELYN B., SIEGFRIED, DOROTHY A., AND STILSON, CARTER), Serum precipitable iodines in recognition of cretinism and in control of thyroid medication, 154

D

DAVIS, JEAN P., AND LENNOX, WILLIAM G., The effect of trimethyloxazolidine dione (Tridione) on the blood, 24

*July, pp. 1-130; August, pp. 131-250; September, pp. 251-368; October, pp. 369-484; November, pp. 485-598; December, pp. 599-724.

DENENHOLZ, EDWARD J. (WITH RAMBAR, ALWIN C., AND HOWELL, KATHERINE), Pertussis-parapertussis vaccine, 556
DOENGES, JOHN P., Peritonitis associated with neonatal diarrhea, 669

SUBJECT INDEX*

A

Abdominal abscess as cause of intestinal obstruction in newborn infant (Richmond and Moore), 343
  wall, congenital desmoid of (Brockman), 217
Abscess, abdominal, as cause of intestinal obstruction in newborn infant (Richmond and Moore), 343
Acidosis, diabetic, treatment of (Hartmann and Erganian), 274
  nondiabetic ketone (Hartmann and Erganian), 296
Adenoleiomyofibroma of tongue (Slotowski and Borovsky), 470
Adrenogenital syndrome, sex precocity and (Bergman), 142
Agglutinogen B, iso-immunization with, congenital hemolytic anemia of the newborn caused by (Nathan, et al.), 683
Alhydrox: combined immunization against diphtheria, tetanus, and pertussis in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Angnese), 251
Allergy as causative factor of fatigue, irritability, and behavior problems of children (Randolph), 560
Anemia, congenital hemolytic, of newborn, caused by iso-immunization with agglutinogen B (Nathan, et al.), 683
  Cooley's erythroblastic, in two Chinese boys (Gardner), 347
Anuria, prolonged, following single injection of bismuth preparation (Petersilge), 580
Appetite, poor, in young children (Bakwin), 584
Arachnodactylia (Dorrance), 679

B

Bile duct, common, idiopathic dilatation of, in childhood (Kelsey), 211
Bismuth preparation, prolonged anuria following single injection of (Petersilge), 580
Blalock-Taussig operation (Salmon and Barkley), 54
Blood, effect of trimethyloxazolidine dione (Tridione) on (Davis and Lennox), 24
Blood—Cont'd
  volume in congenital heart disease (Cassels and Morse), 485
Book Reviews:
  Child and adolescent life in health and disease (Craig), 247
  Feeding and care of baby (King), 481
  Hospital care in the United States (Commission on Hospital Care, 1947), 713
  Let's talk about your baby (Tenney), 713
  Manual of common contagious diseases (Stimson), 127
  Medicine in the changing order. Report of the New York Academy of Medicine committee on medicine and the changing order, 365
  1946 year book of endocrinology, metabolism, and nutrition (Thompson and Spies, ed.), 596
  Year book of pediatrics (Abt. ed.), 596
  Nutrition and vitamin therapy in general practice (Gordon), 596
  Personality of the preschool child (Wolf), 247
  Pharmacopoeia of the United States of America, 127
  Psychiatric interviews with children (Whitmer), 127
  Rocky Mountain conference on infantile paralysis, 596
  Science and seizures (Lennox), 596
  Sex education. A guide for parents, teachers, and youth leaders (Bibby), 128
Breast feeding, some factors which influence the duration of (Norval), 415

C

Carbaminoylcholine (Doryl) in treatment of congenital megacolon (Greenblatt), 687
Cerebral abscess: a complication of congenital cardiac disease (Fallot's tetralogy) (Hand), 662
Child welfare in Britain (Moncrieff), 477
Children's hospital, psychiatric services in (Szurek), 338
Cholecystitis and cholelithiasis in congenital diverticulum of gall bladder in three-year-old boy (Bogatko and Mehlman), 75
Cholelithiasis and cholecystitis in congenital diverticulum of gall bladder in three-year old boy (Bogatko and Mehlman), 75

*July, pp. 1-130; August, pp. 131-250; September, pp. 251-368; October, pp. 369-484; November, pp. 485-598; December, pp. 599-724.

Chorea, Sydenham's, syndrome for differential diagnosis (Kagan and Mirman), 322
Cirrhosis, portal, of liver (Block), 420
Clinical Conferences:
Duke Hospital, Aug. 28, 1947: clinic on nephritis and nephrosis, 696
St. Louis Children's Hospital, May 23, 1947, 93
Comments on Current Literature:
infectious disease in pregnancy and fetal maldevelopment, 710
role of flies in poliomyelitis, 593
Congenital desmoid of abdominal wall (Brockman), 217
diverticulum of gall bladder, cholecystitis and cholelithiasis in, in three-year-old boy (Bogatko and Mehlman), 75
heart disease, blood volume in (Cassels and Morse), 485
hemihypertrophy, review of subject and complete case report (Ward and Lerner), 403
Contagious diseases, manual of common (Stimson), 127 (B. rev.)
Convulsions, febrile: clinical study with special reference to heredity and prognosis (Livingston, et al.), 509
Cranial sutures, premature closure of (Simmons and Peyton), 528
Cretinism, serum precipitable iodines in recognition of, and in control of thyroid medication (Man, et al.), 154

D

Dental caries, epidemiologic studies in, II. Incidence of caries among institutionalized children (Boyd and Cheyne), 306
experience in postwar Italy (1945) II. Among teen-age children in Naples (Massler and Schour), 431
Desmoid, congenital, of abdominal wall (Brockman), 217
Determination of status and progress in children with nutritive failure (Mann, et al.), 161
Diabetic acidosis, treatment of (Hartmann and Erganian), 274
Diaper rash, new treatment for (Benson, et al.), 369
Diarrhea, neonatal, peritonitis associated with (Doenges), 669
phthalylsulfathiazole in treatment of, in children (Blatt, et al.), 548
Dilatation, idiopathic, of common bile duct in childhood (Kelsey), 211
Diphtheria, tetanus, and pertussis, combined immunization against, in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251
Diseases, insect-borne, in South Pacific campaign, observations on (Harper), 631
Diverticulum, congenital, of gall bladder, cholecystitis and cholelithiasis in, in three-year-old boy (Bogatko and Mehlman), 75
Doryl (carbaminoylcholine) in treatment of congenital megacolon (Greenblatt), 687
DPT vaccine, combined immunization against diphtheria, tetanus, and pertussis in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251

E

Ectromelia and associated development defects (Stadler), 691
Editor's Column:
the Canadian Medical Association and health insurance, 249
discrimination in medicine, 482
Dr. Park's centennial address, 714
the Fifth International Congress of Pediatrics, 250
influenza vaccination, 597
medical care and poliomyelitis, 714
on two new departments, 597
what do our readers want of the Journal? 129
Education, sex: guide for parents, teachers, and youth leaders (Bibby), 128 (B. rev.)
Embryoma of kidney, Wilms' tumor (Silver), 643
Emphysema, mediastinal, post-tracheotomy, and pneumothorax (Forbes, et al.), 172
Endocrinology; 1946 year book of nutrition, metabolism and (Thomson and Spies, ed.), 596 (B. rev.)
Epidemiologic studies in dental caries, II. Incidence of caries among institutionalized children (Boyd and Cheyne), 306
Erythroblastosis fetalis, delayed exhibition of, after eight normal pregnancies (Perry), 578

F

Fatigue, irritability, and behavior problems of children, allergy as causative factor of (Randolph), 560
Feeding, artificial, adequacy of, in infancy (Stevenson), 616
and care of baby (King), 481 (B. rev.)
self-demand, and indulgence in early infancy (Weinfeld), 203
Fever, Rocky Mountain spotted, preliminary report on use of para-aminobenzoic acid in (Tichenor and Ross), 1
Fifth International Congress of Pediatrics, report of meeting, 242
Flies, role of, in poliomyelitis (Blattner), 593
Friedländer's pneumonia in infancy (Miller, et al.), 521

G

Gall bladder, cholecystitis and cholelithiasis in congenital diverticulum of, in three-year-old boy (Bogatko and Mehlman), 75
Gargoylism (Lipochondrodystrophy) (Lahey, et al.), 220
Group health cooperative of Puget Sound (MacColl), 119

H

Health insurance, submission respecting (Canadian Medical Association), 228
Heart disease, congenital, blood volume in (Cassels and Morse), 485
  cerebral abscess a complication of Fallot's tetralogy (Hand), 662
Hemihypertrophy, congenital, review of subject and complete case report (Ward and Lerner), 403
Hepatitis, homologous serum, following transfusion in infant (Bruyn), 60
Herniated ovary in infant (Duren and Frank), 227
Homologous serum hepatitis following transfusion in infant (Bruyn), 60
Hospital care in the United States (Commission on hospital care, 1947), 713 (B. rev.)
  children's psychiatric services in (Szurek), 338
Hypersensitivity to privine (Greenblatt), 355

I

Idiopathic dilatation of common bile duct in childhood (Kelsey), 211
Immunization, combined, against diphtheria, tetanus, and pertussis in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251
Impetigo neonatorum congenita (Gilner and Nelson), 213
Indulgence and feeding, self-demand, in early infancy (Weinfeld), 203
Infancy, adequacy of artificial feeding in (Stevenson), 616
  self-demand feeding and indulgence in (Weinfeld), 203
Infant, breast feeding, some factors which influence the duration of (Norval), 415
  feeding and care of baby (King), 481 (B. rev.)
  homologous serum hepatitis following transfusion in (Bruyn), 60
  newborn, myocardial infarction in (Ravich and Rosenblatt), 266
    premature, comparison of vitamin C in mothers and (Slobody, et al.), 333
    rooming-in arrangement for the, in small hospital (Barnett), 49
Infarction, myocardial, in newborn infant (Ravich and Rosenblatt), 266
Insect-borne diseases in South Pacific campaign, observations on (Harper), 631
Institutionalized children, incidence of caries among, II. epidemiologic studies in dental caries (Boyd and Cheyne), 306
Insulin, Ringer's solution, and sodium lactate in treatment of diabetic acidosis (Hartmann and Erganian), 276
Interviews, psychiatric, with children (Whitmer), 127 (B. rev.)
Intestinal obstruction, abdominal abscess as cause of, in newborn infant (Richmond and Moore), 343
Intravenous therapy, method of restraining legs for, and holding head for (Spohn and Statten), 207
Iodine, serum precipitable, in recognition of cretinism and in control of thyroid medication (Man, et al.), 154
Irritability, fatigue, and behavior problems of children, allergy as causative factor of (Randolph), 560

K

Ketone acidosis, nondiabetic (Hartmann and Erganian), 296
Kidney, embryoma of, Wilms' tumor (Silver), 643

L

Language disabilities, specific, primary etiology of (Eustis), 448
Legs, restraining, for intravenous therapy, and holding head for scalp vein transfusions (Spohn and Statten), 207
Lipochondrodystrophy (gargoylism), Lahey, et al.), 220
Liver, portal cirrhosis of (Block), 420

M

Meatus, ulcerated urethral, in male children (Freud), 131
Mediastinal emphysema, post-tracheotomy, and pneumothorax (Forbes, et al.), 172
Medical organization in New Zealand (Lewis), 587
Megacolon, congenital, carbaminoylcholine (Doryl) in treatment of (Greenblatt), 687
Meningoencephalitis, mumps, clinical picture of, and report of case without parotitis (Eberlein and Lynxwiler), 513
Metabolism, 1946 year book of endocrinology, nutrition, and (Thompson and Spies, ed.), 596 (B. rev.)
Miliary tuberculosis, streptomycin in treatment of (Cobley and Goettsch), 70
Mothers and their premature newborn infants, comparison of vitamin C in (Slobody, et al.), 333

Mumps meningoencephalitis, clinical picture of, and report of case without parotitis (Eberlein and Lynxwiler), 513
Myocardial infarction in newborn infant (Ravich and Rosenblatt), 266

N

Newborn infants:
abdominal abscess as cause of intestinal obstruction in (Richmond and Moore), 343
breast feeding, some factors which influence the duration of (Norval), 415
congenital hemolytic anemia of, caused by isoimmunization with agglutinogen B (Nathan, et al.), 683
impetigo neonatorum congenita (Gilner and Nelson), 213
Let's talk about your baby (Tenney), 713 (B. rev.)
peritonitis associated with neonatal diarrhea (Doenges), 669
rooming-in arrangement for, in small hospital (Barnett), 49
sclerema adiposum neonatorum in (Sternbach and Robinson), 465
News and Notes, 124, 246, 364, 480, 595, 712
Nutrition and vitamin therapy in general practice (Gordon), 596 (B. rev.)
1946 year book of endocrinology, metabolism, and nutrition (Thompson and Spies, ed.), 596 (B. rev.)
Nutritive failure, status, and progress determination in children with (Mann, et al.), 161

O

Obstruction, intestinal, abdominal abscess as cause of, in newborn infant (Richmond and Moore), 343
Omphalocele with diaphragmatic defect and herniation of liver into pericardial cavity (McCrory and Bunch), 456
Ovary, herniated, in infant (Duren and Frank), 227

P

Para-aminobenzoic acid in Rocky Mountain spotted fever, preliminary report on use of (Tichenor and Ross), 1
Parapertussis-pertussis vaccine (Rambar, et al.), 556
Penicillin, oral, absorption and excretion of, in children (Markowitz and Kuttner), 195
in infants (Husson), 651
in prophylaxis of recurrent rheumatic fever (Maliner and Amsterdam), 658
Periarteritis nodosa in childhood (Bradley), 78
Peritonitis associated with neonatal diarrhea (Doenges), 669
Personality of preschool child (Wolf), 247 (B. rev.)
Pertussis: See Whooping Cough
Phthalylsulfathiazole in treatment of diarrhea in children (Blatt, et al.), 548
Pneumonia, Friedländer's in infancy (Miller, et al.), 521
Pneumothorax, mediastinal emphysema, post-tracheotomy and (Forbes, et al.), 172
Poliomyelitis, acute, treatment of, together with suggestions on diagnosis (Stimson), 82
psychological considerations in group of children with (Meyer), 34
Rocky Mountain conference on infantile paralysis, 596 (B. rev.)
role of flies in (Blattner), 593
Post-tracheotomy, mediastinal emphysema, and pneumothorax (Forbes, et al.), 172
Precocity, sex, and the adrenogenital syndrome (Bergman), 142
Premature newborn infants, comparison of vitamin C in mothers and (Slobody, et al.), 333
Preschool child, personality of (Wolf), 247 (B. rev.)
Privine, hypersensitivity (Greenblatt), 355
Psychiatric interviews with children (Whitmer), 127 (B. rev.)
services in children's hospital (Szurek), 338
Psychologic Aspects of Pediatrics:
glutamic acid and mental functioning, 702
poor appetite in young children, 584
Psychological considerations in group of children with poliomyelitis (Meyer), 34

R

Rabies (Duffy, et al.), 440
Rash, diaper, new treatment for (Benson, et al.), 369
Rheumatic fever recurrences in children without sulfonamide prophylaxis: an evaluation of environmental factors (Jackson, et al.), 390
penicillin in prophylaxis of (Maliner and Amsterdam), 658
Ringer's solution, insulin, and sodium lactate in treatment of diabetic acidosis (Hartmann and Erganian), 276
Rocky Mountain spotted fever, preliminary report on use of para-aminobenzoic acid in (Tichenor and Ross), 1
Rooming-in arrangement for newborn infants in small hospital, experiences with (Barnett), 49

S

Salmonella carrier treated successfully with streptomycin (Swiller, et al.), 474
Sclerema adiposum neonatorum (Sternbach and Robinson), 465
Seizures, science and (Lennox), 596 (B. rev.)

Self-demand feeding and indulgence in early infancy (Weinfeld), 203
Serum hepatitis, homologous, following transfusion in infant (Bruyn), 60
precipitable iodines in recognition of cretinism and in control of thyroid medication (Man, et al.), 154
Sex education: a guide for parents, teachers, and youth leaders (Bibby), 128 (B. rev.)
precocity and adrenogenital syndrome (Bergman), 142
Social Aspects of Medicine:
Atwater, R. M., testimony on Senate Bill 545, 361
child welfare in Britain (Moncrieff), 477
group health cooperative of Puget Sound (MacColl), 119
medical organization in New Zealand (Lewis), 587
now is the time (Noehren), 704
open letter to Dr. Palma (White), 118
Palma, Joseph, further letter on his Statement, 357
Smith, Richard M., letter on Taft Bill, 476
social aspects of medicine: a statement (Palma), 117
submission respecting health insurance (Canadian Medical Association), 228
White, Park J., communication, 709
Wilson, James L., letter on Joseph Palma statement (p. 117), 357
Sodium lactate in treatment of diabetic acidosis (Hartmann and Erganian), 294
sulfadiazine, subcutaneous administration of (Forbes, et al.), 375
Speech defects, specific language disabilities, primary etiology of (Eustis), 448
Streptomycin, salmonella carrier treated successfully with (Swiller, et al.), 474
in treatment of miliary tuberculosis (Cobley and Goettsch), 70
Stuttering, a reorientation (Missildine and Glasner), 300
Sulfadiazine, sodium, subcutaneous administration of (Forbes, et al.), 375
Sydenham's chorea, syndrome for differential diagnosis (Kagan and Mirman), 322
Synostosis, congenital humeroradial, with other synostotic anomalies (Lambert), 573

T

Tetanus, diphtheria, and pertussis, combined immunization against, in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251
Tetralogy of Fallot; cerebral abscess a complication of congenital cardiac disease (Hand), 662
Thyroid medication, serum precipitable iodines in control of, and in recognition of cretinism (Man, et al.), 154
Tongue, adenoleiomyofibroma of (Slotowski and Borovsky), 470
Toxoids, fluid diphtheria and tetanus, and aluminum hydroxide-absorbed diphtheria and tetanus: combined immunization against diphtheria, tetanus, and pertussis in children over three months of age (di Sant' Agnese), 251
Transfusion in infant, homologous serum hepatitis following (Bruyn), 60
scalp vein, method of holding head for, and restraining legs for intravenous therapy (Spohn and Statten), 207
Tridione (trimethyloxazolidine dione), effect of, on blood (Davis and Lennox), 24
Trimethyloxazolidine dione (Tridione), effect of, on blood (Davis and Lennox), 24
Tuberculosis, miliary, streptomycin in treatment of (Cobley and Goettsch), 70
Tumor, Wilms' (embryoma of kidney) (Silver), 643

U

Urethral meatus, ulcerated, in male children (Freud), 131

V

Vaccine, DPT, combined immunization against diphtheria, tetanus, and pertussis in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251
pertussis-paratussis (Rambar, et al.), 556
Vitamin A, comparative absorption, excretion, and storage of oily and aqueous preparations of (Lewis, et al.), 496
C, comparison in mothers and their premature newborn infants (Slobody, et al.), 333
therapy, nutrition and, in general practice (Gordon), 596 (B. rev.)

W

Whooping cough:
combined immunization against pertussis, diphtheria, and tetanus in children over three months of age, including evaluation of effectiveness of two immunizing agents (di Sant' Agnese), 251
pertussis-parapertussis vaccine (Rambar, et al.), 556
Wilms' Tumor (embryoma of kidney) (Silver), 643
